

Patriots Change the World

Dallas Baptist University needs your help in identifying high school and college transfer students who have a heart to change the world.

We are looking for exemplary students whose Christian character, outstanding leadership, and distinguished scholarship make them stand out in the crowd. These are students who desire an education that is centered on Christ, grounded in the integration of faith and learning and dedicated to developing students to be servant leaders.

DBU is the perfect place for students to be challenged in their intellectual development and spiritual growth. Students have the opportunity to be an integral part of a close-knit community family in a beautiful campus setting that they can call home. From championship intercollegiate athletics to diverse student organizations to exciting student activities, students experience the joys of college life in a major metropolitan city.

DBU offers 61 undergraduate degree programs, a 14:1 student-faculty ratio, and an average class size of 13 students. With a caring faculty committed to shepherding students through their college years, students at DBU receive individualized attention and support to achieve their educational goals.
